

Head protection

Helium 18 Clear Anti-Fog Lens

SAFETY GLASSES

Specific benefits

Comfort

- Extra flat temples for optimal comfort and less pressure
- Ultra lightweight for a better acceptance in extended period of use

Performance

- Metal detectable reusable ear plugs with nylon cord, ideal for food processing
- Metallically charged blue frame visually detectable by X-ray and magnetism. Suitable for the food industry.
- Wraparound lens provides extra wide unobstructed field of vision.
- Excellent industrial grade protection in a contemporary angular wrap style and with wide field of vision.
